INDUSTRIA ALIMENTARE
FERRARO

FROZEN LASAGNE

“For over 70 years we’ve been making lasagna according to the most authentic Italian tradition.”

We manage every phase in-house — from the recipe to the pasta production, sauce preparation, and meat cooking — offering high-quality products to leading global retail chains.

INDUSTRIA ALIMENTARE
FERRARO

Today, our experience translates into a modern and complete range with solutions under both our own brand and tailor-made options for private labels.

Special

CERTIFICATIONS

The world
has already tested us.

Over the years, attention to food safety has gradually grown in line with institutional directives, and the company, always working with the same passion and love, has obtained **IFS** and **BRC** certifications.

We are part of the **Sedex circuit** for aspects relating to the environment, occupational safety, and ethical-social responsibility.

We are also registered with the **FDA** for export to the USA, as well as with the authorities in Mexico, Korea and Australia, just to name a few...
